

Summer Survival Kits

a program of The Stewpot

The hot Texas summer months are uncomfortable for any of us, but they can be especially brutal for those living on the street. You are invited to help make this summer a little easier for our homeless friends by providing a bag of items that will help them survive these hot months. This is a great project for individuals, families, faith groups, school and scout groups, civic and business organizations.

Summer Survival Kits will be distributed by The Stewpot. Thank you for showing, by word and deed, you care for our friends in need.

Use quart or gallon zip lock bags.

Fill each bag with any of the items listed below. You do not have to include all of the items – this is just a list to select from.

Aloe vera – travel size
Sunscreen
Deodorant
Ball caps
Band Aids
Antiseptic wipes

Bug spray
Bottles of water
Bottles of Gatorade
Granola or cereal bars
Bags of peanuts, sunflower seeds

* Another option is to collect just one or two items for donation and we will add to existing bags.
